Welcome to **GBSS**

GBSS Import & Export is an affiliate import and export company established in 2022,

is a successful and trusted Ethiopian trading company engaged in international import and export activities. The company has built a strong reputation in the export sector through the supply of high-quality agricultural commodities, including sesame seeds, pulses, and coffee, contributing to Ethiopia's global trade presence. Our export division has developed a strong market position as a reliable supplier of agricultural products, while our import division provides essential products that support businesses and industries across Ethiopia, including steel bars, tires, paper products, vehicles, IT equipment, furniture, and other commercial goods.
